LOGGED

MEMORANDUM FOR: All Components -- See Distribution

FROM:

[REDACTED]

Deputy Director of Information Technology -
Operations

25X1

SUBJECT: New Procedures for STU-II Interface

1. On 30 August 1986, the Agency will activate a new STU-II (KY-71) interface that will facilitate secure voice calls to remote KY-71 terminals from the HQS-based Secure Voice Network. Upon activation, calls to KY-71's can be made without operator intervention. [REDACTED]
